“TMO Traffic Highways Ltd is committed to a partnership with our employees, sub-contractors, our suppliers and our customers to sustain and improve the environment in which we all live.”

Environmental Management Policy Statement

TMO Traffic Highways Ltd, (“The Company”) continues to strive to ensure minimal impact upon the environment through our work activities.

We pledge:

- All non-hazardous waste that is sent to landfill will be pre-assessed in-house by separated for recycling;
- Reduce waste through re-use, recycling and by purchasing recycled or re-furbished products and materials where these materials are available, economical and suitable.
- To recycle all waste and packaging material in the products that we receive;
- Any hazardous waste will be transferred for specialist treatment prior to landfill;
- To continue through our suppliers to seek to use products that are the least harmful to the environment;
- To make business decisions based on the environmental impacts above cost wherever practicable;
- To encourage our suppliers to consider mitigating effects on the environment in their supply;
- To provide information to our sub-contractors on the potential damaging effects to the environment of our actions;
- To use sustainable products and energy wherever practicable and possible;
- To share our corporate responsibility with regard to environmental reporting and management systems;
- To consider the environment in all transportation, minimising journeys and using fuel efficient vehicles;
- Train, educate and inform our employees about environmental issues that may affect their work activities.
- Promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner.
- To embed energy saving and recycle practices into our office and operational environments.
- Strive to continually improve our environmental performance and minimise the social impact and by annually reviewing our environmental policy in light of our current and planned future activities.
- Communicate our environmental commitment to our customers.

TMO-ENMS-002

TMO Traffic Highways Ltd, is committed to ongoing monitoring and review processes so that continual improvement in environmental management can be achieved. Environmental management should never be compromised for other company objectives.

Review

TMO Traffic Highways Ltd will review this policy and the practical effects of its measures and their application on an annual basis.
